

**Please note that silver products will scratch as soon as they are removed from the protective bags that they arrive in. This is the nature of the material.**

## **General Care Guidelines for Silver & Gold**

Clean as soon as possible after use.

Wash with warm soapy water, rinse and dry thoroughly with a soft cotton cloth.

Store in a dry place in tarnish-inhibiting bags.

Never clean in the dishwasher.

Avoid storing in sealed plastic bags, wrapping in newspaper, or tying with rubber bands.

## **Polishing Silver**

Goddards silver dip is good to use if they get tarnished, ensure to rinse thoroughly in warm water and dry well.

Buff with a soft, dry cloth to obtain a longer lasting shine. Do not use anything abrasive as it will scratch the metal.
